<p>Learn about my country's executive branch</p> 	<p>Learn about my local government</p> 	<p>Watch local or national news</p> 	<p>Plan a Take Action Project that benefits my community</p> 	<p>Learn about the 15th Amendment</p> 

 Post a picture participating in a civic activity and tag #GSNCA and #LWVAL

Civic Challenge Patch

Civic engagement is the way members of a community work to make a positive difference in the lives of fellow citizens. Positive change is created by being an active participant in community events, volunteering to help neighbors in need, and participating in government decisions through advocacy or elections. By participating in community events, you learn about things that may need to be changed to better serve all community members equitably. You can make a positive impact, even if you can't vote yet!

To earn the Civic Challenge patch, complete one row of activities on the Civic Challenge Bingo sheet. Rows can be completed horizontally, vertically, or diagonally. When your card is completed, purchase your Civic Challenge Patch by contacting the GSNCA Girl Scout shop. Patches are \$1.25 each (plus shipping).
