

Girl Scouts of North-Central Alabama (GSNCA)
Governance Action Form

Purpose: To submit to the GSNCA board of directors recommendations and proposals in regards to policy and governance or concerns of individual members, troops or service units. Use of the form will ensure actions are considered in a timely manner and response is provided to the individual or group that submitted the form. Each proposal or recommendation will be carefully reviewed for the impact on entire membership and any financial implications. Actions submitted will be reviewed at the next board meeting following receipt of the form. The board has the next two board meetings to review and act. The GSNCA Delegate Coordinator may be contacted to provide insight and updates on the action.

Please complete the form and send to:
